### DARWIN - BROOME

#### SAMPLE ITINERARY

*This is a sample itinerary and may be subject to change. We may need to alter or amend itineraries, excursions, accommodation, or sightseeing arrangements from those published, with little or no notice. This may be due to road conditions, weather, cultural considerations, safety factors and other operational considerations or government regulations. Final itineraries are sent to passengers approximately 2-3 weeks before travel.*

#### DAY 1 – Darwin

#### DAY 3 – Exploring Punamii-Uunpuu (Mitchell Falls)

A big walk today, but also a big highlight. After a short drive to the ranger station, we'll set off on a guided 4km walking tour to the incredible Mitchell Falls (good level of fitness and mobility required). Along the way we'll discover rarely seen Gwion and Wanjina rock art galleries, accompanied by

a local expert guide from Kandiwal Community. The walk also takes us past Mertens Falls before arriving at the top of the Mitchell Falls, one of the most awe-inspiring wonders of the Kimberley.

After a picnic lunch and enough time to admire the falls we'll take to the skies for a spectacular helicopter flight (included) back to where the walk started. Viewing the falls and surrounding landscape from the air is an absolute highlight, and a great way to finish off the experience! Once we're on the ground at the ranger station, we return to the camp for a well-earned rest and perhaps a swim in the palm fringed creek. (B,L,D)

Please Note: For passengers not wishing to do the Mitchell Falls walk there is an option to fly down by helicopter. An Outback Spirit guide will still escort you. The flight is at your own expense.

Please note: Weight limits apply to all scenic flights

#### DAY 4 – King Edward River - Drysdale Station

This morning we depart the Mitchell Plateau and head back to the Kalumburu Road. Along the way we'll visit several exceptional Wanjina rock art galleries near the King Edward River and enjoy a picnic lunch.

This afternoon we arrive at Drysdale River Station, a pastoral lease which runs over 9000 head of cattle across more than a million acres. We spend the night in comfortable station cabins with private ensuite bathrooms. (B,L,D)

#### DAY 5 – Drysdale - Gibb River Road - El Questro Wilderness Park

This morning we farewell Drysdale Station and re-join the Gibb. We then continue east and cross the Durack River before arriving at the mighty Pentecost River at the foot of the Cockburn Range. After lunch, enjoy a guided walk up to the stunning Emma Gorge waterfall (2.5 hours return – a good level of fitness required, but well worth it!). Enjoy a swim in the large rock pool at the base of the falls and marvel at the beauty of the gorge, one of the best in the Kimberley. Upon returning to the resort, the rest of the afternoon can be spent at your leisure before regrouping for dinner. (B,L,D)

Depart El Questro this morning and travel along the Gibb River Road to Wyndham and the spectacular Five Rivers Lookout, boasting dramatic views over Cambridge Gulf.

This afternoon we visit the Argyle Homestead Museum en route to Lake Argyle, the departure point for our sensational three-hour cruise down the Ord River. Enjoy the mesmerising scenery and diverse wildlife as your skipper takes you downstream to Kununurra, providing expert commentary along the way. ### **DAY 10 – Bungle Bungles – Halls Creek - Fitzroy Crossing**

After lunch, we turn off the highway to Mt Pierre Station where we will veer onto a track that will lead us to Mimbi Caves.

Your local guide will take you through this natural wonder which is part of the 350 Million-year-old Devonian Reef system. This amazing cave system will take your breath away with its vivid colours and limestone rock formations.

Listen to Dreamtime stories and learn about one of the most significant Devonian fossil sites in the world from the local Gooniyandi people. Enjoy freshly brewed tea and damper made the traditional way by your guides using native seeds.

Later, we head to the town of Fitzroy Crossing, the site of where the unprecedented flood events occurred in 2023.

We overnight at the Fitzroy River Lodge (B,L,D)

\*The walk into the Mimbi Caves is uneven and you will need to be reasonably confident on your feet. In the caves the light can be poor and in some places non-existent. Those suffering a fear of close spaces should be mindful of this.

### **DAY 11 – Tunnel Creek & Windjana - Broome**

First up this morning is a visit to Tunnel Creek National Park for a fascinating underground river walk. Next it's onto the awe-inspiring Windjana Gorge, one of the most spectacular gorges in the Kimberley. In places, the water-streaked walls of the gorge rise majestically to stand 100 metres above the floodplain. After a guided walk through the gorge we'll depart for Broome, arriving late afternoon to check in to
