BROOME - DARWIN

SAMPLE ITINERARY

This is a sample itinerary and may be subject to change. We may need to alter or amend itineraries, excursions, accommodation, or sightseeing arrangements from those published, with little or no notice. This may be due to road conditions, weather, cultural considerations, safety factors and other operational considerations or government regulations. Final itineraries are sent to passengers approximately 2-3 weeks before travel.

DAY 1 – Broome

Today you will be greeted by our friendly and professional Tour Director before checking in to the iconic Cable Beach Club Resort where you will stay for the next two nights. The remainder of the day is free to spend at your leisure, before viewing a spectacular Indian Ocean sunset from the resort prior to your welcome dinner. (D)

DAY 2 – Horizontal Falls Seaplane Adventures

Start your day early as we set off on an unforgettable full-day adventure to Horizontal Falls and the Dampier Peninsula. Your day includes a breath-taking seaplane flight, offering panoramic views of the stunning Buccaneer Archipelago, before landing in the calm waters of Talbot Bay. Enjoy either a delicious hot breakfast, or locally sourced barramundi lunch prepared by your expert hosts at the Horizontal Falls houseboat.

Throughout the day, experience a scenic cruise through the Horizontal Falls, followed by a refreshing swim in the marine viewing enclosure, where you can get up close to the local marine life. You'll also visit the renowned, third-generation Cygnet Bay Pearl Farm, learning about the rich history and culture of this family-owned business, and explore the Beagle Bay Aboriginal Community, home to the iconic Mother of Pearl Church. After a day full of adventure and discovery, we make our way back to Broome, where the Horizontal Falls team will transfer you back to your accommodation.

Tonight, we gather for our final dinner together and celebrate our adventure through the Kimberley. (B,L,D)
Note: this tour may be done as drive first/fly second or fly first/drive second depending on the itinerary offered on

that day. The same inclusions and activities are provided in both directions.

Horizontal Falls Seaplane Adventures seaplanes are governed by individual guests' weight and therefore all guests must declare their accurate weights (with clothes on) at the time of booking. All guests are weighed upon boarding for weight verification and safe loading of the aircraft. In addition to the individual weights, they also have an upper weight limit of no more than 120kg.

What to pack: 2kg hand luggage weight allowance is applicable per guest. Please bring water bottle, sun protection, camera and light towel.

DAY 3 – Broome - Derby - Fitzroy Crossing

Today we depart Broome and head for Derby. Enjoy a look around town and visit the Boab Prison Tree before joining the start of the Gibb River Road.

We visit an Art gallery before visiting Dimalurru (Tunnel Creek), where water has carved a large tunnel through the limestone Napier Ranges. At 750m long and up to 20m in height in places, this was formed 350 million years ago as part of an ocean reef system.

Later today we continue to Fitzroy Crossing, arriving late-afternoon to check in to the Fitzroy River Lodge. (B,L,D)

**We recommend packing water/reef shoes to take part in the Tunnel Creek walk.*

DAY 4 – Fitzroy Crossing - Halls Creek - Bungle Bungle

This morning we depart Fitzroy Crossing and continue along the Great Northern Highway before we turn off the highway to Mt Pierre Station where we will veer onto a track that will lead us to Mimbi Caves.

Your local guide will take you through this natural wonder which is part of the 350 Million-year-old Devonian Reef system. This amazing cave system will take your breath away with its vivid colours and limestone rock formations.

Listen to Dreamtime stories and learn about one of the most significant Devonian fossil sites in the world from the local Gooniyandi people. Enjoy freshly brewed tea and

damper made the traditional way by your guides using native seeds.

Afterwards, we travel to Halls Creek for lunch. This afternoon we continue east and turn off to the World Heritage Listed Purnululu National Park (the Bungle Bungles). Enjoy two nights at the Bungle Bungle Savannah Lodge, owned by Outback Spirit in partnership with Aviair/Helispirit. The lodge features comfortable cabins with ensuite bathrooms. Meals: B,L,D

**The walk into the Mimbi Caves is uneven and you will need to be reasonably confident on your feet. In the caves the light can be poor and in some places non-existent. Those suffering a fear of close spaces should be mindful of this.*

DAY 5 – Exploring the Bungle Bungles

Today we explore the wonders of Purnululu, including its unique orange and black beehive shaped domes. First up, enjoy a breathtaking 18-minute scenic helicopter flight over the park with a bird's eye view of its astounding natural features. Afterwards enjoy a walk along Piccaninny Creek to the impressive natural amphitheatre of Cathedral Gorge. Then follow the 'dome trail' for a closer inspection of the park's unique geological formations.

This afternoon we'll head to the northern region of the Bungle Bungles to visit Echidna Chasm before returning to the lodge. (B,L,D)

Please note: Weight limits apply to all scenic flights

DAY 6 – North to Wyndham & Kununurra

Today we farewell the Bungle Bungles and travel north to Wyndham. Enjoy a visit to the spectacular Five Rivers Lookout, with dramatic views over Cambridge Gulf. After a picnic lunch we make our way to Kununurra and check in to the centrally located Kununurra Country Club for our overnight stay. The rest of the afternoon can be spent at your leisure. (B,L,D)

DAY 7 – Ord River Cruise - El Questro

This morning we head to the banks of Lake Kununurra to board our sensational 3-hour cruise up the Ord River. Enjoy the mesmerising scenery and diverse wildlife as your skipper takes you upstream to Lake Argyle, with expert

commentary along the way. Once we reach the dam wall we board our coach and return to Kununurra by road, stopping off at the Argyle Homestead Museum along the way. Located at the base of the Cockburn Range, our home for the next two nights is Emma Gorge Resort, where we stay in unique tented cabins. (B,L,D)

DAY 8 – Exploring El Questro

This morning we head deeper into this iconic Kimberley wilderness park to Chamberlain Gorge, a beautiful three-kilometre-long fresh waterhole bound by towering escarpment. Enjoy a 90 minute gorge cruise and feed some of the cheeky Archerfish before returning to Emma Gorge Resort via the Station township.

After lunch, enjoy a guided walk up to the stunning Emma Gorge waterfall (2.5 hours return – a good level of fitness required, but well worth it!). Enjoy a swim in the large rock pool at the base of the falls and marvel at the beauty of the gorge, one of the best in the Kimberley. Upon returning to the resort, the rest of the afternoon can be spent at your leisure before re-grouping for dinner. (B,L,D)

DAY 9 – Zebedee Springs - Gibb River Road - Drysdale

You'd be hard pressed to find a better way to start the day than a swim in the warm, crystal clear waters of Zebedee Thermal Springs. We'll spend a relaxing morning here before resuming our journey west along the Gibb River Road.

Cross the mighty Pentecost River and continue past Ellenbrae Station to the 'Y' junction. From here we follow the Kalumburu Road to Drysdale River Station, which runs 9,000 head of cattle across more than 1 million acres. We spend the night here in comfortable station cabins with private ensuite bathrooms. (B,L,D)

DAY 10 – King Edward River - Mitchell Plateau

This morning we continue north along the Kalumburu Road before turning onto the Mitchell Plateau track. After fording the King Edward River we'll visit a series of spectacular Wanjinna rock art galleries, known as some of the best in the Kimberley.

JEWELS OF THE KIMBERLEY

After a picnic lunch we drive through an ancient Livistona Palm forest before arriving on the Mitchell Plateau mid-afternoon.

Featuring deluxe Safari Suites with ensuite bathrooms, quality furnishings and large balconies, Outback Spirit's Ngauwudu Safari Camp is the most luxurious and spacious accommodation on the Mitchell Plateau. Built exclusively for Outback Spirit guests, it's truly a magical spot to spend the next two nights of our adventure and the ideal base from which to discover the Mitchell Plateau and Mitchell Falls.

This afternoon, take a dip in the camp's private palm fringed waterhole or simply relax in your safari suite. Enjoy a drink around the campfire at sunset before retreating to the restaurant for dinner. (B,L,D)

DAY 11 – Exploring Punamii-Uunpuu (Mitchell Falls)

A big walk today, but also a big highlight! After a short drive to the ranger station we'll set off on a guided 4km walking tour to the incredible Mitchell Falls (good level of fitness and mobility required). Along the way we'll discover rarely seen Gwion and Wanjina rock art galleries, accompanied by a local expert guide from Kandiwal Community. The walk also takes us past Mertens Falls before arriving at the top of the Mitchell Falls, one of the most awe-inspiring wonders of the Kimberley.

After a picnic lunch and enough time to admire the falls we'll take to the skies for a spectacular helicopter flight (included) back to where the walk started. Viewing the falls and surrounding landscape from the air is an absolute highlight, and a great way to finish off the experience! Once we're on the ground at the ranger station, we return to the camp for a well-earned rest and perhaps a swim in the palm fringed creek. (B,L,D)

Please Note: For passengers not wishing to do the Mitchell Falls walk there is an option to fly down by helicopter. An Outback Spirit guide will still escort you. The flight is at your own expense.

Please note: Weight limits apply to all scenic flights

DAY 12 – Scenic Flight to Darwin

This morning we head to the Mitchell Plateau airstrip for our scenic flight to Darwin. Our aircraft for the morning is Outback Spirit's state-of-the-art Cessna Grand Caravan, featuring a high wing for excellent visibility, air-conditioning and turbine reliability. Head east to Joseph Bonaparte Gulf before hugging the coastline to Darwin, arriving early in the afternoon. We then check in to the Hilton Garden Inn on the Esplanade, where the rest of the afternoon can be spent at your leisure.

Tonight, enjoy our final dinner together and celebrate a wonderful Kimberley adventure. (B,L,D)
