## **DARWIN - DARWIN**

SAMPLE ITINERARY

This is a sample itinerary and may be subject to change. We may need to alter or amend itineraries, excursions, accommodation, or sightseeing arrangements from those published, with little or no notice. This may be due to road conditions, weather, cultural considerations, safety factors and other operational considerations or government regulations. Final itineraries are sent to passengers approximately 2-3 weeks before travel.

DAY 1 – Darwin to Seven Spirit Bay
Upon arrival into Darwin you'll be greeted by your crew
and transferred to Outback Spirit's general aviation
terminal. If you're already in Darwin, enjoy a
complimentary transfer from any local hotel.

This afternoon we take to the sky for a 45-minute scenic flight across Van Diemen Gulf. Once we reach the stunning Cobourg Peninsula, we'll land at Vashon Head - the second most northerly point on the Australian mainland and home to Seven Spirit Bay's airstrip.

Upon landing, enjoy a friendly meet and greet with the crew before taking a 20-minute 4WD trip to the lodge. Here you'll enjoy a brief familiarisation of the lodge and surrounds before checking in to your unique and luxurious 'habitat' villa.

Your villa features air-conditioning, premium furnishings, and a covered private deck overlooking the beautiful natural bushland.

Later this afternoon we'll meet again for sunset drinks before indulging in exceptional, innovative cuisine with a focus on local flavours and produce. (D)

At midday, we get together again for a celebratory Christmas Day lunch, featuring delicious freshly caught seafood and traditional fare prepared by our in-house chefs. Enjoy some festive cheer with your travelling companions as you lap up a truly memorable Christmas. Best of all, there's no washing up! (B,L,D)

landmarks such as Gunners Quoin, Turtle Rock,
Observation Cliff and Record Point en route to Victoria
Settlement.

Established in 1838, Victoria Settlement was the third attempt by the British at a northern settlement, after Fort Dundas on Melville Island and Fort Wellington at Raffles Bay. Conceived to facilitate trade with Asia, the settlement consisted of 24 houses and a hospital, which certainly saw its fair share of patients due to rampant disease and malnutrition.

After we've disembarked on the beach, we'll take a fascinating 3-hour tour of the Settlement and learn about what life was like in this remote and unforgiving outpost. There's an optional extension to the walk which leads to lonely gravestones in the forest, almost forgotten by history. After some refreshments on the beach, we'll hop back aboard MV Arafura and make our way back to the lodge for lunch.

Enjoy the rest of the day at your leisure. (B,L,D)

DAY 7 - Vashon Head - Darwin

This morning we bid farewell to Seven Spirit Bay and travel back to Vashon Head for our 45- minute scenic flight back to Darwin. We arrive into Darwin late morning in time to connect with flights back to most capital cities. If you've chosen to stay on for a few more days, you'll be dropped at the hotel of your choice. (B)

Bon Voyage!

Every effort will be made by your crew to ensure that the above itinerary is followed. However, Outback Spirit reserves the right to alter the itinerary once on tour as required due to weather and track conditions or other operational considerations.
