DAY 1 – Darwin

Upon arrival in Darwin today you will be met and greeted by our friendly and professional Tour Director. This afternoon enjoy a city sights tour including a visit to the Museum and Art Gallery of the Northern Territory. Tonight, enjoy our first dinner together as we get ready to embark on our Kimberley adventure! (D)

DAY 2 – Scenic Flight to Faraway Bay

This morning we depart Darwin on our scenic flight to Faraway Bay. Our aircraft for the morning is Outback Spirit's state-of-the-art Cessna Grand Caravan, featuring a high wing for excellent visibility, air-conditioning and turbine reliability. This morning's flight will hug the coastline to Joseph Bonaparte Gulf and then over King George Falls before touching down at Faraway Bay, the northernmost lodge in Western Australia. Upon setting down we'll be greeted by their friendly team and transferred to the camp, where we spend the next two nights in rustic yet comfortable accommodation. All cabins feature ensuite bathrooms and stunning views of the bay.

Faraway Bay is an award winning coastal lodge nestled on a rocky hilltop overlooking the turquoise Timor Sea. Located 280 kilometres north-west of Kununurra, this far north area of Western Australia is a remote and spellbinding part of the Kimberley. With King George Falls only a short boat trip away, this unique wilderness retreat offers an experience you will never forget.

Later this afternoon we meet for sunset drinks before dinner in Eagle Lodge. (B,L,D)

Note: Passengers will need to pack down to 1 bag between 2 due to weight restrictions on the flight to Faraway Bay. Single passengers will need to re-pack into a smaller bag.

DAY 3 – King George Falls Marine Adventure

It's now time for one of the major highlights of your adventure: King George Falls. After waking up to birdsong and breakfast made with produce from the Ord river region, we'll head off with the lodge's expert skipper and guides for an unforgettable marine adventure.

The King George River is one of WA's most magnificent treasures, famous for its enormous twin waterfalls that stand over 70m high and descend into the Timor Sea. From a cultural point of view, the river is highly significant to the Balanggarra people. To them the Falls are the male and female Wunkurr (Rainbow Serpents).

Along the coast to the King George River we travel past Koolama Bay where the merchant vessel 'Koolama' was bombed by the Japanese during World War II. Hear about the amazing story of survival and mutiny, and the untimely and unfortunate end to the 'Koolama'.

When we get to the entrance of the King George River, you can't help but feel dwarfed by the towering red rocky cliffs rising high above us. From here, we'll meander up river to the incredible Falls, and if conditions permit you'll be able to take an invigorating waterfall shower as the boat edges to within metres of the rock face.

After some time to soak up the spellbinding Falls, we'll start heading back to the lodge. Enjoy some fishing on the way and keep an eye out for other marine life including crocodiles, dolphins, dugong and manta rays to name just a few. (B,L,D)

DAY 4 – Faraway Bay - Mitchell Plateau

This morning we head to the airstrip for our scenic flight over the Kimberley coast to the Mitchell Plateau, and arrive at our exclusive Ngauwudu Safari Camp, the most luxurious tented camp in the Kimberley. Featuring deluxe safari suites with ensuite bathrooms, quality furnishings and

DAY 5 – Exploring Punamii-Uunpuu (Mitchell Falls)

A big walk today, but also a big highlight! After a short drive to the ranger station we'll set off on a guided 4km walking tour to the incredible Mitchell Falls (good level of fitness and mobility required). Along the way we'll discover rarely seen Gwion and Wanjina rock art galleries, accompanied by a local expert guide from Kandiwal Community. The walk also takes us past Mertens Falls before arriving at the top of the Mitchell Falls, one of the most awe-inspiring wonders of the Kimberley.

After a picnic lunch and enough time to admire the falls we'll take to the skies for a spectacular helicopter flight (included) back to where the walk started. Viewing the falls and surrounding landscape from the air is an absolute highlight, and a great way to finish off the experience! Once we're on the ground at the ranger station, we return to the camp for a well earned rest and perhaps a swim in the palm fringed creek. (B,L,D)

Please Note: For passengers not wishing to do the Mitchell Falls walk there is an option to fly down by helicopter. An Outback Spirit guide will still escort you. The flight cost is \$189.00 per person (own expense).

Please note: Weight limits apply to all scenic flights

We then return to Emma Gorge Resort via the Station township.

After lunch, enjoy a guided walk up to the stunning Emma Gorge waterfall (2.5 hours return – a good level of fitness required, but well worth it!). Enjoy a swim in the large rock pool at the base of the falls and marvel at the beauty of the gorge, one of the best in the Kimberley. Upon returning to the resort, the rest of the afternoon can be spent at your leisure before regrouping for dinner. (B,L,D)
