1 Arnhem Land

Arnhem Land is Aboriginal land, and a place few have the opportunity to experience. Occupying the north-eastern corner of the Territory, this sacred country is home to breathtaking landscapes, rare wildlife and the oldest surviving culture in human history.

2 The Kimberley

From early explorer pioneer settlements to the Bungle Bungle Range and Horizontal Falls, the Kimberley is a place where history collides. With the rugged escarpments, magnificent gorges, and pristine waterways, you'll be blown away by just how spectacular it is.

3 Queensland

One minute it's rolling red sand dunes and the next, the world's oldest rainforest or colourful reefs. From the tip of Australia on the Cape York Peninsula to the outback interior, Queensland is full of surprises.

4 Central Australia

Endlessly fascinating and uncompromisingly remote, Central Australia and Corner Country command deep reverence and respect. This is an area made for adventure and packed with sights that are guaranteed to take your breath away.

5 The Pilbara & South West

Home to the hidden waterfalls of Karijini and World Heritage-listed Shark Bay, the Pilbara and South West are Mother Nature at her finest.

6 South Australia

Whether it's Wilpena Pound or the migrating Right Whales along the coast of Kangaroo Island, Australia's southern region is full of wonder. This culturally vibrant state is renowned for its festivals, fine wines, and stunning outback landscapes.

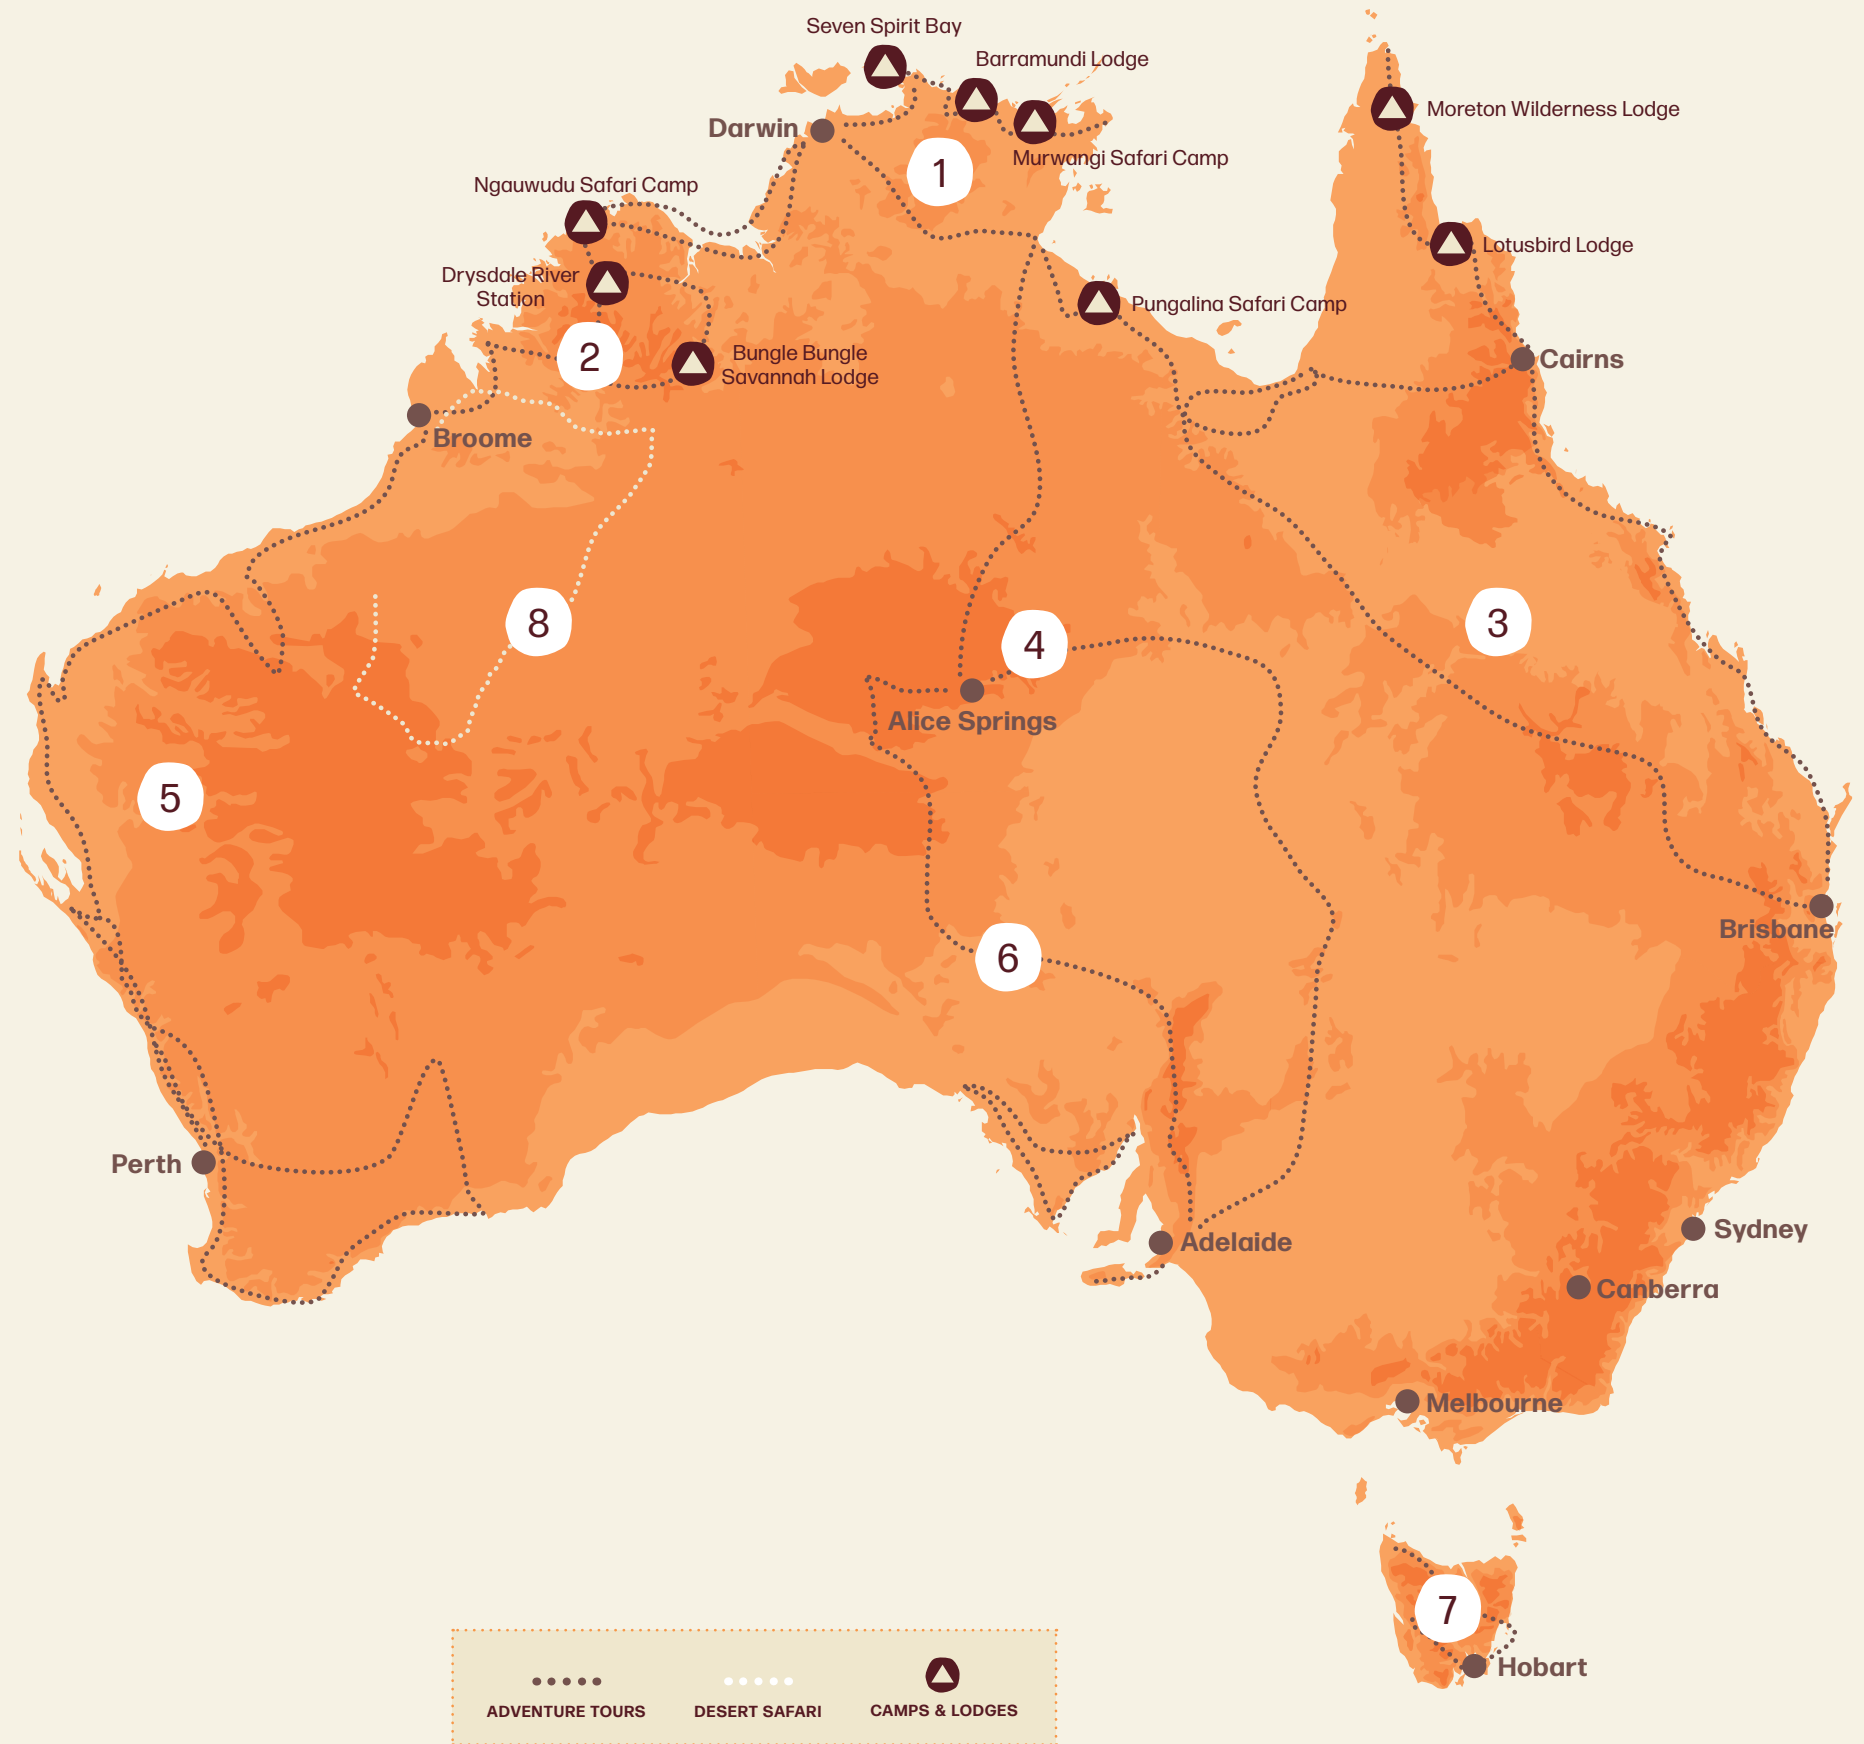

7 Tasmania

Pristine, rugged and pure, Tasmania is a place of proud people, produce and environment. On this adventure, you will sample all of it.

8 Desert Safari

The Canning Stock Route is one of Australia's most challenging places to traverse, now made possible with Outback Spirit and our unique Mercedes-Benz G-Wagon expedition vehicles.
